Senior Tax Professional

Huntsville, Alabama | Full-Time | From $80,000 per year

Experienced Tax Professional → Tax Strategist

Think Beyond Compliance

Most tax professionals prepare returns. At Profit Wise Accounting, we are looking for someone who thinks beyond the return.

Profit Wise Accounting is seeking a Senior Tax Professional who enjoys solving complex tax issues, advising business owners, improving processes, and taking ownership. This role is designed for an experienced public accounting professional who wants meaningful work, direct client relationships, and the opportunity to influence the future of a growing boutique accounting and advisory firm.

If you want a position where your expertise is respected, your judgment matters, and initiative is expected, we would like to meet you.

Why Join Profit Wise

- Work directly with business owners—not just tax software.
- Prepare and review interesting business returns instead of repetitive seasonal production.
- Work in an environment where ideas, sound judgment, and ownership are valued.
- Use technology-forward workflows including UltraTax CS, QuickBooks Online, and TaxDome.
- Expand your expertise into proactive tax planning and advisory.
- Continue developing professionally with opportunities for long-term career growth.

What You'll Own

- Prepare and review Forms 1120S, 1120, 1065, and complex individual returns.
- Research technical tax issues and document conclusions.
- Identify proactive tax-planning opportunities for clients.
- Review bookkeeping adjustments, depreciation, and tax-related financial information.
- Communicate directly with business owners regarding tax matters and planning opportunities.
- Contribute to improving firm systems, workflows, and processes.

Minimum Qualifications

- Five or more years of public accounting experience.
- Demonstrated ability to independently prepare corporate and partnership returns.
- Strong technical knowledge of business taxation.
- Excellent communication and client-relationship skills.
- A high level of integrity, accountability, professionalism, and ownership.

Preferred Experience

- UltraTax CS experience.
- Enrolled Agent, CPA, or CPA candidate.
- QuickBooks Online proficiency.

- Multi-state tax experience.
- Tax planning and advisory experience.

Who Will Thrive Here

The successful candidate is curious, dependable, technically strong, proactive, and committed to helping clients make better business decisions—not simply completing tax returns. You take pride in delivering exceptional work, communicate confidently with clients, and want to build a long-term career with a growing advisory firm.

Compensation & Benefits

- Compensation starting at $80,000 per year.
- Health insurance.
- 401(k) matching / retirement plan.
- Continuing education credits.
- Opportunities for advancement.
- Relocation assistance.

Benefit availability may vary based on position and the individual compensation package.
